FEBRUARY 5, 2024

### 2024 SNOWBALL

#### WELCOME TO HOLLYWOOD

Plans for the annual Snowball are well under way. As you know, this is our major fund raiser for the year. Not only does it generate significant funds for the Auxiliary, it provides the Bear Lake community with a fun diversion from the dreary winter weather. Please make sure you have donated any items you may have that would make a suitable door prize and have purchased your tickets. Throw caution to the wind, dress up like your favorite movie character and attend this event. If you haven't volunteered to help, it is not too late.

The annual Board Member retreat and planning meeting was held on January 8<sup>th</sup>. Members discussed activities for 2024.

A new theme was adopted, "**Everything Counts**". No matter how we interact with people, small kindnesses are very meaningful.

Members discussed committees for the Snowball, appreciation banquet, scholarship awards, 2025 calendar, Christmas stockings, Christmas bags, tray favors, friendship baskets, Veteran's Day Program, red carpet prom dinner, Christmas community project, flowers and grounds. As you can see there are many ways that you can volunteer. In addition to all of these projects, we have the Thrift Store.

Members reviewed the 2024 calendar (see attachment).

The 2025 calendar will be produced under the direction of Jennifer Matthews. The theme will be barns. If you have any barn photos please forward them to Jennifer by April 15.

A brief presentation was made by the Hospital CEO. He discussed goals and visiting medical specialists.
